SUSTAINABILITY

This fabric contains post-consumer recycled polyester

The Greenleaf logo is a trademark of Geo. Sheard Fabrics and designates fabrics containing post-consumer recycled polyester made from recycled plastic bottles which are diverted from landfills.

REPREVE[®] Our Ocean[™] is the leading brand of recycled performance yarns and contains plastic derived from bottles collected within 50 kilometers of coastlines in countries that lack formal waste or recycling systems.

Nvirosoft^m is an environment-friendly acrylic backing which is free of all Prop 65 chemicals at the source. It combines high performance with a soft and supple finish for comfort and ease of upholstery.

CreenShield[®] is a stain repellent recognized for its environmental properties. It contains no PFOA and PFOS and is Prop 65 compliant. It provides excellent oil and water repellency while reducing the impact on the environment.
